

Dear Friends of the Japanese Canadian Baseball League.

Thank you for taking the time to review this request for sponsorship.

2017 marks the 50th anniversary of the Japanese Canadian Baseball League. A celebration to mark this occasion will be held at the Japanese Canadian Cultural Centre on September 3, 2017 and we are asking for your support.

What started out as a small group of friends looking to play competitive baseball among the Japanese community has grown into a 12 team league with a diverse range of backgrounds from Japan, Canada and across the globe. While the league remains close to its roots in celebrating the Japanese spirit of fair competitive play, it also embraces the wide ranging cultures Toronto represents. With over 4000 former players we look forward to inviting and celebrating with as many league alumni as possible.

Your generous support will help us honour all the founding members of the JCBL and the generations that continue the tradition at this celebration. Please note this is a non-profit event and any surplus in funds will be donated to the Momiji Health Care Society.
